MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM : Robert M. Gates

SUBJECT : Haig Breakfast, 19 May 1981

1. The agenda for tomorrow's breakfast is relatively short. The Secretary probably will raise the following subjects:

- He will want to touch base with you on the situation in Lebanon. In addition to the information in the publications on Tuesday morning, Bob Ames has prepared a short background paper for you (at Tab A). Also, NFAC has provided a memo (also at Tab A) on raising obstacles to Soviet air resupply of Syria, should that become desirable.
- The Secretary may ask you for a status report on the supply of arms to Central America. A joint NFAC/DDO report is at Tab B and, if you wish, can simply be handed to the Secretary.
- I am told the Secretary may brief you on the recent visit of South African Prime Minister Botha.

2. CIA has proposed your raising two subjects with the Secretary:
